

Uncle Sam Matches Park District Funds

With the approval of the WPA, which approval was received Tuesday, Uncle Sam is matching four times the money that was authorized recently by the voters of the park district. Three shifts are now operating in an effort to have the field house and pool ready for use this summer. Uncle Sam has agreed to contribute over \$75,000 additional money and has authorized the employment of a hundred men.

Uncle Sam has also authorized the reopening of the original park project, which means that a shelter house of the same material used in the field house, will be constructed near the baseball diamond. There will also be dug outs built, similar to those in use at big league parks.

State Health Men Praise Pool

Arlington Heights can look forward to some big swimming races in its pool when it is completed. Mr. Haight, of the state department of health, was in town Tuesday and inspected the equipment that has been installed for the purifying of the water. He said that the pool is one of the best he has seen and its equipment is most adequate.

Mr. Haight was accompanied by a prominent swimming instructor, who remarked about the size of the pool and the manner in which it is constructed, which will permit water polo and big swimming meets.

An official of the state health department has just returned from Germany with plans of a modern wading pool. Engineer Kroeber expects to follow those plans in the construction of a pool for the small children on which work will start in two weeks.

Mrs. Van der Vries Points Out Defects In Proposed New State School Law

Shall the twelve thousand and more independent school districts in the state of Illinois be ruled by a non-salaried, nine-member state board of education at Springfield, appointed by the Governor, or shall they continue to enjoy home-rule?

This is the burning question which is running like wild fire throughout the entire state. It involves political factions in the General Assembly, leading university professors, state and county superintendents of public instruction, associations of teachers and school boards and nearly all state-wide civic associations which are interested in the schools such as Parent-Teacher associations, Leagues of Women Voters, Woman's clubs, American Association of University Women, etc.

Seek Administrative Board

On the floor of both houses of the legislature there are re-cremations aplenty, and they center around Senate Bills No. 6 and No. 7, introduced by Senator Stuttle of Litchfield at the behest of Governor Horner. These bills are very much like those introduced by Senator Stuttle more than a year ago in the regular session and they seek to establish an administrative state board of education and a fund of \$1,000,000 to be given by the state board to needy high schools none of which at the present time receive state aid.

In order to get the full picture, one must recall that a year ago the effort to secure a state board was futile because the Stuttle Bill was choked to death by a faction opposing the Governor in the Appropriations committee of the House. But even before its death, the original bill had been changed so that it would not have established an administrative, regimenting school board, rather by amendments favored by the teachers, the school boards and the state and county superintendents, the board would have been merely a helpful advisory body to assist the legislature in making recommendations for new laws that might help school districts throughout the state.

Opposed by School Leaders

Senate Bill No. 6, introduced at the present special session harks back to the administrative type of school board so insistently advocated by Governor Horner and just as insistently objected to by the organized teachers, county superintendents, local school boards and more importantly by the State Superintendent of Public Instruction, John A. Wieland. In fact this question was the leading issue between Mr. Wieland and Frank A. Juncich,

Organize To Fight School Grab

New School Bill Will Place Party Politics In Schools of State

A resume of the state board of education bill is contained in the story which appears on this page of this issue written by Bernice Van der Vries, a member of the legislature from Cook county.

Next Wednesday night the school boards of all Cook county schools are invited to a meeting at the Sherman hotel in Chicago where the pending bill creating a state school board will be discussed.

This bill is now before the state legislature and is said to be one of the governor's pet measures. It provides for the creation of a state school board with broad powers and a huge appropriation.

While the bill provides that the school board members of the new board are to serve without pay, there is a big appropriation at the disposal of the new board which could create another big pay roll brigade of inspectors or "experts" of one sort or another.

The state board would have supervision over all of the schools of the state and would have very arbitrary powers.

With the new board in operation the local school boards would be only a rubber stamp and county superintendents and their assistants would be mere figure heads. Some active work will have to be done if this new centralization of power is to be prevented and every school board member in the county should attend next Wednesday's meeting in Chicago.

The bill before the legislature is a short one and yet there is practically no "don't" in its phraseology. The proposed state board of education would be permitted to do almost anything that it desires and leaves the hole wide open to make the schools of the state a political football.

Fate Of 45 Boys Awaits Adult Action

The future life of forty-five Arlington Heights boys may depend upon how anxious Arlington Heights dads and mothers are to see that they receive a break. These forty-five are at the cub pack age when they are ready to form habits that will last them a life time.

The future of Young America in Arlington Heights hangs upon the willingness of adults to give the boys a push toward the right road by cooperating in the formation of a cub pack in conjunction with the boy scout movement of the north-west district.

A meeting attended by a number of parents was held Tuesday night in the northside school. It was attended by Don Kyger, scout executive, Mr. Smith, cub pack chairman of the district, and Messrs. Hamilton of Niles Center and Vice President Potter of Park Ridge.

After considerable discussion a second meeting was authorized to be held following the close of school, when definite action will be taken to either accommodate the boys or throw them upon the street for them to hunt their own recreational program.

Local Cars In Local Accidents

There were three auto accidents in Arlington Heights over the week-end, which involved local cars. May 28, Emory Muller, of Mt. Prospect, driving a Ford Tudor on Three-State highway in Stonegate, collided with a Cadillac driven by Ed. B. Dearie, of 126 Park Lane, at the intersection of the latter street. The Ford car was badly damaged.

Memorial Day the new Dodge car driven by Mrs. Elfred Schoenbeck was traveling west on Davis street, when the Plymouth car of Mrs. Fred Tesch arrived at the intersection of Evergreen street at the same moment. The Plymouth chanced to strike the Dodge at just the spot that caused it to tip over. No one was injured, but the Dodge was badly damaged.

Tuesday evening, the cars of Calvin Mitchell and Mrs. Nick May, collided at the corner of Vail and Campbell streets. Little damage to cars and no injury to drivers.

Business Men Meet Next Week To Talk Over New Constitution

Arlington Heights Trade and Civic Association will discuss the revised constitution, drawn up by the board of directors recently, at a special meeting at the village hall next Thursday evening at 8 o'clock. Directors for the coming year will also be elected.

Copies of the constitution will be mailed to business men so they can have a knowledge of the by-laws beforehand.

Mt. Prospect Boy Hurt When Car Overtakes Wolff, Central Rd. Crash

Harold Scharringhausen, 21, 10 E. Busse road, Mt. Prospect, received head and arm cuts in an auto crash at Wolf and Central roads Monday evening. Otto Grast, Chicago, failed to stop at the stop sign at the intersection and collided with Scharringhausen, overturning and completely demolishing the car.

Will Celebrate Ninetieth Anniversary of Arrival of The Busse Family in America

A unique family celebration will occur at the Elk Grove Forest Preserve, Sunday, July 3, when the Busse family, direct descendants of Mr. and Mrs. Friedrich Busse will celebrate the ninetieth anniversary of the arrival of the Busse pioneer family in Elk Grove township upon July 3, 1848.

The date of the celebration falls upon the exact date of the anniversary. Previous family reunions were held in 1923, in honor of the 75th anniversary and in 1908 commemorating the fiftieth anniversary.

With large families, the direct descendants have multiplied into the hundreds and the reunion will be as big an event of its kind as ever occurred in Northwest Cook county. The pioneer settlers had six children, four of whom were boys and a majority of the families reside within a few miles of the Busse homestead where their forebears first settled.

Fifteen years ago, when the last family census was taken there were 207 great grandchildren, and 328 great great grandchildren.

A celebration of this magnitude requires a lot of planning and in order that all of the 650 branches of the family may become part of the affair, a committee of six has been appointed, comprising one grandchild from each of the children of the original settlers. They are:

Alfred Busse, representing the Christian Busse families.
Wm. C. Wille, representing the Fred Busse families.
Richard Tonne, representing the

Village Officials Go To Springfield To See Horner

The village officials had good reason to believe that all of the huddles in the Creamery Package right of way problem had been mounted and were ready this week to advertise for bids for the paving, when out of a clear sky the state highway department, after having previously given their approval to the entire plan, presented a new obstacle.

Result—Mayor Flentie, accompanied by Trustees Krause, Geo. Schneberger and Chief Skoog as chauffeur, left this morning for Springfield where they have a date with Governor Horner.

The completion of a hard surfaced right-of-way to the Creamery Package plant is of vital importance to Arlington Heights and untold injury would result to the community if present plans fail and the plant would be closed down, throwing a great many local people out of work.

The village board is doing everything in its power to provide the necessary road. The improvement will not cost any body other than the local people, a cent of money. The payment for the cement will come from state gas tax money that has already been earmarked for Arlington Heights and if not spent upon the above road, will ultimately be spent upon some other local street.

Red Cross Asks Aid For Chinese

Mrs. Rex. Volz, local chairman of the Red Cross has received from the Chicago chapter a strong appeal for Chinese Relief funds. The appeal is being relayed by Mrs. Volz to the people of Arlington Heights by the publication in part of the letter received from James B. Forgan, chairman of the Chicago chapter. It reads in part as follows:

Due to the hostilities in China, millions of human beings have been forced to flee from their homes and are facing utter starvation and death from privation. The American Red Cross in January asked its chapters to accept contributions for a China Relief Fund. Many have given generously not only to the American Red Cross, but through their churches and missionary societies. But our advice is that the relief task is growing daily and unless all humanity joins in helping the stricken civilian population of China, the world will witness one of the major tragedies of modern history.

At the recent Red Cross convention held in San Francisco, Chairman Norman H. Davis reported that \$170,000 had been given by the public through the Red Cross, and \$200,000 had been appropriated for the Chinese Civilian Relief from the general fund of the American National Red Cross. The sum of \$1,000,000 is sought for this relief task as America's contribution, through the American Red Cross. Many other nations are raising similar relief funds. The Convention approved by resolution action to complete this relief fund by June 15.

If each unit of the local chapter will at once raise at least one half the money it secured in the last roll call, the quota for the Chicago chapter as pledged by the chapter executive committee will be reached immediately.

Mrs. Volz will be glad to forward any money that is sent

Five Injured In Golf, River Roads Collision Sunday

Five people were injured in a collision at Golf road and River road early Sunday morning when Louis Witt, Evanston, failed to stop for River road stop sign.

Mr. and Mrs. Chester F. Barnekow and Dr. and Mrs. Burmeister of West Allis, Wisconsin, struck the Witt car while driving south on River road. The injured were taken to the Northwestern hospital for treatment.

Mrs. Burmeister suffered a possible fractured collar bone and two scalp wounds. Mrs. Barnekow was treated for a broken arm, a possible pelvis fracture, and head lacerations. They were removed to the Milwaukee hospital, Wisconsin. Mrs. Minnie Witt and child, Elaine, were severely shaken up and received minor cuts.

He Was From The East But He Paid A \$50 Fine Without A Murmur

The speedy Buick police car of the Arlington Heights police department brought a quick halt to a Terraplane that was being driven through Arlington Heights last Friday at a speed of 90 miles an hour. The autoist was from Massachusetts and had drank enough to not know what he was doing. He passed through the red light at State road at seventy miles an hour.

Officers Karstens and Melbourne were in Stonegate when the car sped past. It was only a matter of seconds before the local officers followed by state police were on the trail. With sirens sounding cross traffic gave the races the right of way, and the local car cut off the autoists before they had passed out of the business district. Fine before Judge Neuman was \$50.

Entries Close Friday For Arlington's Second Annual Flower Show

All plans are complete for the Second Annual Flower Show sponsored by the Arlington Heights Garden Club to be held at the Presbyterian Community hall Friday and Saturday, June 3 and 4.

This will be the largest exhibit of flowers ever shown in Arlington Heights and a display that none can afford to miss. The season is ripe for the best of garden flowers and anyone having choice or unusual varieties is invited to enter them as exhibits.

There will be classes for all entries and ribbons will be awarded for first, second and third choices.

Mr. R. J. Mohr of the Garfield Park Conservatory and Mrs. Robert S. Jacquith of the Edison Park Garden club are the two competent judges who will assign the awards.

All entries must be made not later than 10 a. m. Friday so that everything will be in readiness for opening the show at 1 p. m. Flower lovers from neighboring towns are invited to participate.

The small admission of 15c will be charged to defray expenses. Tickets may be obtained from members of the Garden club and at the door.

Returns From 3 Months Trip In Germany

Hears Tri Motor Crash Near Home In Germany Visit

Miss Margaret Seiler returned to Wheeling Wednesday, May 18, after spending three happy months visiting her parents at Hetzles, Germany.

Upon her arrival there in February, she found her mother very ill, and the first few weeks she spent nursing her mother back to health.

The rest of the time flew by rapidly, visiting her two sisters and three brothers, besides her parents and other relatives.

Margaret spent some time visiting relatives in Munich and also spent two weeks with her brother, Mr. Herman Seiler, in Nuremberg, where he directs a band.

Mr. Seiler is an accomplished musician and plays 13 instruments. Previous to going to Nuremberg his band filled a contract at Erlanger and are booked for a season at Berlin at the close of their present contract.

One of the most exciting experiences came to Margaret a short time before her return to America, when a large tri-motored plane crashed into the side of one of the Bavarian hills near her home one foggy afternoon. The crash was heard for miles around and Margaret joined other villages at the scene of the accident. After about a hour's climb, they came upon the wrecked plane as rescuers were caring for the dead and injured.

The plane had cut a path through large trees before burying itself into the earth. Two of the occupants had been killed instantly, a third one injured seriously and a fourth but slightly. With the exception of this rather gruesome experience, Margaret reports a delightful visit to the homeland among her many relatives and friends whom she found happy and hopeful for Germany's future.

The weather proved rather rough on both voyages, but Margaret is a good sailor and even in spite of a severe storm, both going and coming, the water holds no fear for her and she declares herself quite ready for another trip in the future.

Farm Bureau Organizes Own Ball Team; Will Give Dance June 16

The Cook County Farm Bureau has entered two baseball teams in the Illinois Farm Bureau Baseball League. These two teams will represent the north and the south parts of the county. Both teams will play in Division 3 of the league which includes Will and LaSalle counties. The championship will be played at the Sports Festival to be held at Champaign September 2 and 3.

Those who have indicated the desire to try out for the team are Edgar Spordler, Harvey Bierman, Joe Blizek, El. Sunderlager, Jim Gahlbeck, Art Porep, Ed. Schimming, Elmer Krefit, Victor Pohlman, Harvey Pohlman, Ed. Bohlin, Elmer Lemke, Ray Vorp, Ed. Thomas, Marvin Busse, Vernon Bergman, "Jess" Tagtmeier, Ray Tagtmeier and Arnold Freise. If there is any one interested in playing ball with the Farm Bureau team, call at the Farm Bureau office.

At a meeting at the Farm Bureau office May 31 "Jess" Tagtmeier was elected president of the ball club and Ed. Bohlin, manager. The team will give a dance for the north side at the Arlington Ballroom at State Road and Higgins on Thursday, June 16, beginning at 8:30 p. m. with Walter Heine's orchestra. 600 tickets have been printed and are being sold by the team. The Farm Bureau Service Company sponsors, appointed by the team, are Louis Pohlman, Homer Long, Dan Bergman, Wm. Rengel, Alfred Landmeier and Geo. Schimming.

The first game will be played with the south side team most likely at the Cottage Grove school diamond just east of Chicago Heights on Saturday, June 4, about 3 o'clock. The north end team cordially invites the public to attend their dance and be present at the opening game. They feel confident of being able to at least win over the south end team and make a credible showing in the district.

High School Band Concert Friday Night

Arlington high school band will give a concert this Friday evening on the new tennis courts in the park where there is ample parking space, green grass and benches to sit on, and less interference from trains and traffic than in the park near the railroad.

It is "off with the old and on with the new," in the Arlington Heights elementary school building situation. The voters, by a vote of 147 to 7, last Saturday at a special election authorized the township board of trustees to sell the two north side buildings. They had to be sold or Uncle Sam would not contribute any more money to the completion of the new building now under construction.

Work upon the new structure was started Dec. 10 and records have been broken in the speed with which the work has been advanced. The exterior work is completed and the plastering is now being done. Work in interior trim will start next week.

Due to lack of sufficient competition, bids recently opened for electrical work were rejected and the board will open new bids for such work June 8. The township board of school trustees is advertising the sale of the two buildings in this week's Herald. They must be torn down prior to September 1.

Plans to retain the older of the two buildings as a future public library have run up against a stone wall by the action of Uncle Sam. The newer of the two buildings is not in a substantial condition, but the old building that was erected nearly seventy years ago is as square and true as when originally built in the 1870's. It is unfit for school purposes and is a fire trap, but the interior could be remodeled for library use, retaining the architectural beauty of the exterior, which is an early American style that is now being copied in many of the modern buildings.

The remodeling of the building with a new entrance would be expensive. The only possible tenant would be the library board, which can not issue bonds nor does the small library tax permit the upkeep expense of an independent building.

Lovers of early American dislike seeing the old building disappear, but it appears that modern progress and Uncle Sam says that it must be.

Meet Hoosier Hospitality

George Klueg had the opportunity over Memorial Day to visit his old home at Evansville, Indiana, where he saw his father for the first time in fifteen years. George is the last one of his sons. There were many other relatives who extended the glad hand to George and those who accompanied him, who were Mrs. Clifford Flanders and Miss Rose Tonne. Roadside signs along the way told about the Hoosier hospitality to visitors and the visitors found that hospitality wherever they went.

Misses Stop Sign, Three In Hospital At Mt. Prospect

Walter Czarniecki, Chicago, failed to see the stop sign at the Elmhurst road, Palatine road intersection Sunday evening, and crashed into the car of George Bromsted of Chicago driving on Elmhurst road. Bromsted, Mrs. Carroll, who was riding with him, and Lotta Swam of Chicago, riding with Czarniecki, were taken to the Mount Prospect hospital where they received first aid for shock and minor injuries.

Northbrook Driver In Auto Collision

Rudolph Koepfer, Northbrook, cattle truck driver for Otto Andersen, live stock dealer in Wheeling, was injured last Friday when he truck collided with the car of Mrs. T. S. Browning, Highland Park, who was driving on Oakton street and failed to see the stop sign. Koepfer was accompanied by his helper, Peter Ceger, Mundelein.

Notice

I want to remind taxpayers that personal property schedules must be returned to my office at 114 N. Dunton avenue, Arlington Heights, before Tuesday, June 7. In the interest of a lower tax bill for you, I urge you to comply with this request. Failure to return the schedules means a fifty percent penalty assessment.

J. FRED MEYER,
Assessor, Wheeling Township.

The Village Parson Says:

"Be still and know that I am God!"—Our modern mode of living makes it hard for people to know God. We live in a time of great activity, an age of noise and confusion. In the bustle and bustle of every day life we are too occupied to have much time for God.

Sometimes it takes a death of a friend or a loved one to quiet us long enough so that we may hear God's voice. Sometimes it takes sickness and the necessity of confinement before the Voice of God is heard. A few moments of quiet meditation gives God a chance.

That's why going to church helps. It gives God a chance to speak to souls. Pity the person that is so busy and active and so talkative that God can't be heard.

The Psalmist in the quiet of his age discovered the secret and passed it on to us in these words: "Be still and know that I am God."

Presbyterian Aid Society Entertain Their Husbands

Wednesday, May 25, the Aid Society of Presbyterian church, entertained their husbands. It proved a great success. Under the able direction of Mrs. Ogren, the program consisted of invocation by Dr. Kossack, singing by company of "Praise God from Whom All Blessings Flow." The guests were seated at a large semi-circular table and served with a menu of choice viands. A part of the program was introduction of the president, Mrs. C. O. Petterson, and her associate officers. The company joined in singing several hymns. Mrs. Banta gave a history, ancient and modern, of the work of the Aid Society. The several past presidents present were presented Mrs. Ogren gave several vocal numbers. Mrs. F. E. Briggs, accompanist, Lilian Ruth Draper gave readings in her usual pleasing manner. While this was not a time when the men were expected to take a vocal part, nevertheless under the influence of the scene, beautiful flowers, genial hostesses and the banquet served some time during a breathing spell, Mr. G. J. Rau had the temerity to ask permission to speak and proposed a toast to the ladies and received the hearty support of other guests. As a fitting finale, Mr. Chas. O. Petterson suggested that the ladies take an encore and repeat every month. Applauded by the company, at any rate all present were unanimous in declaring the ladies know how to entertain.

Mr. and Mrs. William A. Meyer, 203 West Fremont street, were Memorial week-end guests of relatives at North Freedom, Reedsburg, and Logansville, all of Wis.

Florence Kolling and Agnes Grupe of Arlington Heights, carried off third place honors at the second annual music festival held recently in Des Plaines by the Northwest Guitar clubs. Seventy people took part in the program; they were divided into six groups according to ability and experience and ribbons were awarded the three best players in each group. Florence and Agnes won the duet group.

A chop suey supper, served family style, will be given by the Junior Aid at the Presbyterian church, on Tuesday, June 21, at 6:30 p. m. Reservations may be made by calling 521-J or 606-J.

Eat among the flowers at the exhibit Friday and Saturday. A lunch counter has been provided for those who need refreshment.

The Forrest Nichols family vacationed over the week-end by taking Mrs. McKee to see her father and then they continued to Bement, Ill., where they picked up Mr. Nichols' mother and sister who live there. They left them at Cowden, the old home town, then on to Beecher City to get Mrs. Nichols' mother and sister to take them to the graduation of their niece at Effingham. She graduated with a class who won second in the National high school band concert. Mr. Bulford, superintendent of Mount Vernon school gave the address. The Nichols claim it would have been a worthwhile talk to anyone in northern Illinois.

Mr. and Mrs. Raymond Godhe and son, Norman, of Los Angeles, were guests at the Orville Baldwin home last week.

Mrs. Charles Emmett was hostess for her bridge club Friday afternoon for dessert and cards. Mrs. Heller and Mrs. Collins received high scores.

Mrs. A. Simson enjoyed a visit last Saturday with her son, Mr. Wood, who accompanied by Mrs. Wood, came from the city to cheer Mrs. Simson's shut-in days.

Miss M. C. Telfair and her cousin, Miss Ella Robinson, drove down from Kenosha Saturday and called on Mrs. F. W. Mueller and family and some other friends, who are all glad to learn that Jas. Telfair is now in good health and able to resume his business in the east. A wonderful recovery from his serious illness last year.

Mr. J. Gross and Mr. O. Johnson and a group of others from here spent the week-end trout fishing at Wautoma, Wis.

Mrs. Fred Langhorst and Mr. and Mrs. C. Gaare and children from Palatine, also Mrs. Binneboese from Roselle, visited their aunt, Mrs. J. Berchtold, W. Wing street, Monday.

Mrs. John Croyle came in to attend church Sunday morning and called to inquire about old neighbors in Douglas avenue. Mr. and Mrs. Croyle and two sons are now living out on Milwaukee avenue. He is still employed in Mt. Prospect and she is an efficient helper for her mother on a large vegetable farm.

Mr. and Mrs. J. Clark received word from their daughter, Marjorie, who with her husband, lives in St. Louis, that twin sons were born to them May 26.

Mrs. D. G. Beaty, N. Dunton avenue, is visiting her sister, Mrs. C. Simpson in Des Moines, Iowa. Last Saturday Mrs. Simpson and son, Mr. F. Simpson, came from Libertyville and took Mrs. Beaty to her sister's home for a nice long visit.

Mr. H. F. Ackley, one of our overseas veterans, spent May 30 in Hines hospital, where he entered last week for treatment of a long standing ailment. His family and friends are anxiously hoping that he may soon be restored to health.

Mr. and Mrs. Henry Stueve of Bensenville, called on his cousin, H. M. Blume and family Sunday. They reported their locality had not so much rain as this vicinity, but what the frost did to crops out their way was not a cheerful topic to talk about.

Memorial Day In Arlington

Arlington Heights people observed Memorial Day in the time honored manner with exercises in Memorial Park. The American Legion and the V. F. W. with kindred organizations cooperated in the plans. The exercises were preceded by a parade which started at the municipal building.

The address delivered by Rev. Loughlin was as follows:

Memorial Day is our day of public remembrance of the men whose lives have been sacrificed in our country's wars. Today we remember, not the glory of war, if any, but its tragedy. Today we see, not alone the beauty of our flag, but the blood-stains which mark its colors. Every citizen should spend at least part of this day in a cemetery, between his rounds of golf. He should take time to read the markers on a few of the soldiers' graves.

Pictures of two soldiers' grave-stones were shown in the Methodist church on its recent Historical Night. They read like this:

ARTHUR CLOUGH,
Co. F, 134 Reg. Ill. Vol.
DIED Oct. 23, 1864.
Aged 18 yrs. 11 mos. 3 days

EUGENE H.
of Company G, 113 Reg. Ill. Vol.
DIED at Memphis, Tenn.
Feb. 21, 1865, aged 21 yrs. 6 mo.

Son of L. & J. A. Skinner.
Notice the ages of these two. One, not quite nineteen. The other, just past twenty-one. How young they were! Scarcely entered upon manhood. They remind us that war reverses the order of nature. As some-one has said: "In peace-time the sons bury the fathers; in war-time the fathers bury the sons."

We are horrified by the ancient idol-worshippers who offered their sons in human sacrifice. We hardly understand the attitude of such people as those who asked the prophet Micah when he rebuked their sins: "Shall I give my first-born for my transgression? the fruit of my body for the sin of my soul?" But we need not look askance at them. In war we do precisely that. In war youth is sacrificed by the passions and selfishness of age. Our young people may as well know now that if they have to meet the emergency of war, the war will not be of their making—they will merely do the fighting and dying. The war will have come because we, the older generation, have failed to do justly, and to love kindness, and to walk humbly with God. We shall be offering the "fruit of our bodies for the sin of our souls."

The Civil War allied industrial people who wanted tariff protection for high-priced products and for waves, and farmers who wanted free land; against slaveholders who opposed these desires as dangers to their system. Each group felt that the national interests were in danger if their particular interests were not given full power. Each side was willing to send its young men to kill, and be killed, to defend its special interests.

That will be true again. We shall tell our young people that Democracy is in danger when all that is threatened is our particular way of making money. The greatest danger to democracy is war-making itself. Right now a powerful lobby is trying to have Congress pass the so-called May bill which provides that, the moment war is declared, the President becomes Dictator. He will have authority to decide who shall fight, and who shall work and for how much. The only thing the bill does not authorize him to control is profiteering. That will go on as it always has, but the President will be Dictator of everything else. Congress can go home as soon as it passes the declaration of war. It will have no reason ever to meet again.

This bill may not pass now. It will be easy to pass it when war comes and war-hysteria has stifled our judgment, as it always does. The only way that we can safeguard liberty or democracy is to prevent war. We cannot protect liberty making war. Liberty and democracy will be the first casualties of any future war. And if another war comes, we now know, it will not be for democracy, or liberty, but for private profit.

So, as we meet to honor the dead of past wars, let us dedicate ourselves to the making of peace. Let us resolve that, as a nation, we will no longer "give our first-born for our transgression," but will "do justly, and love mercy, and walk humbly before God."

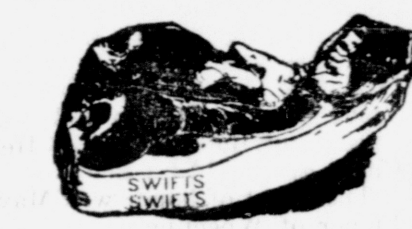

Following the program, visits were made to the local cemeteries.

CHRISTIAN SCIENCE CHURCHES
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 29. The Golden Text was, "Take heed that no man deceive you" (Matt. 24:4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Ephesians 6:11, 12).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defence" (p. 254).

Red Wings Lose Two Over Holiday

Memorial Day Poor One To Be Remembered

The Red Wings lost to Summit Sunday, by the score of 11-4 and Monday, Decoration Day the Cragin Merchants took the measure of the Red Wings 9-5. On Sunday, four unearned runs got the Red Wings off to a bad start. Two errors, an infield hit and three walks with a wild pitch sandwiched in, resulted in four runs for the visitors, and they never were headed.

Mel Kehe started for Arlington, but was relieved by Harold Finkback in that first inning. Finkback pitched until the sixth inning and Al Pedersen finished the game. The Red Wings had eight men left on base because the hit in the pinch was missing, whereas the visitors used their thirteen hits to good advantage, and also made the most of the Red Wings' mistakes.

Willert did his best, getting three hits in four tries, one hit being a long triple to right center field. On Monday seven errors by the locals helped the Cragin Merchants to several unearned runs and the game. In this game the breaks went against the Red Wings, especially when there were men in scoring position. For instance, in the fourth inning with men on second and third, Al Pedersen hit a terrific line drive down the first base line. The first baseman made a nice play on the ball, but he was lucky to hang on to it for the third and the two runners were left stranded.

Girski of the visitors touched Schaefer for a triple and a long home run. Both were well hit balls. The Cragins picked up two runs in the first one each in the second and third and four in the fourth, with that home run in the ninth for good measure.

The Red Wings got their two in the first, one each in the second,

fourth and ninth and with the proper breaks, should have been enough to win.

On Sunday, June 5, the Necans Musketeers will be here. This team is a strong team playing in the Mid-West League, but the Red Wings hope to put this game in the win column.

On June 17, the Red Wings will go to Glenview to play a night game. So all you fans who haven't seen a game played under lights, here is your chance. This is the opening night game at Glenview and the management has arranged quite a program. Hope to see you all there. Score by innings:

Summit 401 104 010—11 13 3

Red Wings 002 020 000—4 10 4

Heidorns Nose Out Vogue

Heidorns Sweet Shop scored one

run in each of the last six innings

to beat the Vogue 6-5. Singles by

Milligan, Schulerberg and Joey

Mayerik in the seventh, put across

the winning run for Heidorns. The

Vogue made good use of their op-

portunities, leaving only 5 men

on the bases; whereas Heidorn left

13 men stranded.

Lefty Mezzosous would have won

the game easily if his infield hadn't

made 6 errors. Lefty allowed only

2 earned runs in the whole game.

Art Duenn was the defensive star

for the Vogue.

George Milligan and Ed. Schu-

lenberg got 3 hits apiece for Hei-

dorns. That makes 6 hits in 7 times

up for George. Although Steve

Urk's pitching was shaky in the

first 2 frames, he settled down and

in the last five innings only 18

men faced him.

Buffalo Loses Tough Game

In their first start of the season Buffalo Grove almost upset Rose-Lo Inn. After shutting Buffalo out for five innings Joe Muran ran in to trouble in the sixth and before Art Luerssen got in to stop the uprising, Buffalo had scored 5 runs and taken a 5 to 4 lead. Buffalo blew their golden opportunity in the same inning when they committed 3 errors to hand Rose-Lo 2 unearned runs. These 2 runs were the margin of victory.

Nick Herf deserved to win the game, because he allowed Rose-Lo only 2 earned runs on scattered hits. The outstanding player on the field was little "Rabbit" Finkback who smashed out a single and triple in four times at bat and fielded sensationally.

In the first play of the game he went in back of third to nab a looping liner over his shoulder to rob Dick Taage of a hit.

Heidorns Win In Extra Innings

Scoring 2 runs in the seventh to tie the score and then coming through with 3 more in the first of the ninth, Heidorns beat Evergreen 8 to 5. Evergreen got all their runs in the fifth inning on 2 hits and 4 errors.

Steve Urk pitched a nice game, allowing only 4 hits in 9 innings. Earl Fredricks hit a home run in the second to give Heidorns a 2 to 0 lead. No one player stood out for Evergreen.

"Dixie" Kehe has been appointed umpire for all soft ball games for the rest of the season. Dick has been doing a fine job of umpiring in the first 3 weeks. With a little more experience "Dixie" will probably get an offer from Landis.

FORM OF ADVERTISEMENT FOR BIDS

School District No. 25, Cook county, Illinois, acting by and through its Board of Education, will receive sealed bids for "Lighting Fixtures" for an eleven class room and basement school building until 8:00 p. m. Daylight Savings Time on the 8th day of June, 1938. School, located at State Road and St. James Street, Arlington Heights, State of Illinois, at which time and place all bids will be publicly opened and read aloud.

The contract documents including specifications are on file at the office of C. V. It Happened Here

The Chinese say no occidental truly respects his nose and the delights to be received through the proper functioning of that organ; walk through the garden, the woods or the fields—are we conscious of the delicate odors which assail our nostrils—can we name them or trace them—can we educate our senses to perceive new odors and so add to the delights of field excursions? Which among all the perfumes that nature provides for our delectation is your favorite? Mary said she voted for wild grape, old fashioned yellow roses and blue pine blended after rain with a breeze to act as perfume brush. Now there's a combination for the jaded procurer of exotic perfumes! Wild grape in bloom is one of the most subtly elusive odors of the roadside hedges; if there are any wild to harbor elderberry and will rose; the old fashioned yellow rose evokes a memory of the bush under the south window of the parlor down on the farm; crab apple comes near to perfection in the beauty and fragrance of its blossoms, with the wild, keen tang of the eternal virgin—it is native to our State, to its brown and shallow creeks, its thickets and pastures and its prairie groves; some years ago, we sent a box of the blossoms to a friend on The Boston Transcript and lately we came across the letter of acknowledgment and note that an eastern botanist was intrigued with the bloom, superior in color and fragrance to the New England crab. But New England does have what we miss, the mayflower or trailing arbutus, and we are grateful for the memory of coming across these exquisitely fragrant pink and white blossoms on the hills above the Swan-annoa River in North Carolina...

The hurrying hoof beats out of the mists of history rang on the astonished pavement and the picturesque Pony Express rider swept by like a wind from the west. That rain of the 19th smoked up from the pavement and soaked into the ground until the soil could drink no more and brown water stood in gullies and puddles or in an occasional pool to reflect a tree, a passing child or the gable of a roof; the overflow from the eaves, a miniature Bridal Veil Falls, was split by lightning and spouted jewels at every flash.

OBITUARIES

MRS. FRIEDA WOHLERT

Mrs. Frieda Wohlert, nee Lese-gang of Central road near South State road and wife of Mr. Alexander Wohlert, passed away at her home on Friday morning, May 27, 1938, at the age of 59 years, 4 months and 29 days. Mrs. Wohlert was born in Berlin, Germany, on December 28, 1878. In 1921 she was united in marriage to Mr. Alexander Wohlert at Chicago, and for the past 8 years have made their home on Central road, 1/4 mile east of South State road.

She leaves to mourn her departure her loving husband, Mr. Alexander Wohlert and five living sons: Raymond, Allen, Robert, Charles and Hans, all of New York City; four daughters-in-law and six grandchildren; one sister, Mrs. Hedwig Rostel at Berlin, Germany.

Funeral services were Monday, May 30, 1938, at 2:00 p. m. at her residence and then to Acacia Park cemetery, Rev. Kossack officiating.

JOHN KRUEGER

Funeral services were held Tuesday afternoon at the Trinity Lutheran church in Genoa for John Krueger, 69-year-old retired farmer, who died at his Genoa home at 11:30 Saturday morning. Burial was at Genoa.

Mr. Krueger was born at Schaumburg March 12, 1869, the son of John and Justina Willkopp Krueger. He was married in 1891 at Genoa to Miss Wilhelmina Botcher and shortly afterwards rented the old Callaway farm north of Genoa, which he eventually purchased. He retired eight years ago.

He is survived by three children: Edwin Krueger, who occupies the farm, Mrs. Lavina Japp of Hampshire, and Mrs. Clara Stoffregen of Genoa, and a brother, Will, of Olivia, Minn.

MRS. ANNA EBELING

Mrs. Anna Ebeling, nee Krebs, wife of the late Fred Ebeling, passed away at her residence at Roselle, Monday morning, May 30, at the age of 66 years, 3 months and 9 days. Mrs. Ebeling was born Feb. 21, 1872 in Corbiel, France, spent her childhood in this city and at the age of 21 migrated to the United States and made her home in Chicago. She was married to Mr. Fred Ebeling at Rodenburg, Ill. This couple made their home in Chicago for a while, but for the last years, have lived in Roselle.

Mrs. Ebeling leaves to mourn her departure four living children, Mr. Herman Ebeling, Mr. Fred Ebeling, Mr. Frank Ebeling, Miss Clara Ebeling; one daughter-in-law and one grandchild; three step children; one sister, Mrs. Lena Krebs of Germany.

Funeral services were held Wednesday, June 1, 1938, at 1:30 p. m. at her residence in Roselle and at 2:00 p. m. at the Roselle Lutheran church, Rev. Mehler officiating; interment in the Roselle Lutheran cemetery.

IN MEMORIAM
In memory of our dear mother, Mrs. Caroline Boeger, who passed away May 31, 1937, at Woodstock, Ill.

Often we pause to think of you,
And think of how you died;
To think you could not say good-

bye
Before you closed your eyes.
No one knows the silent heartaches;
Only those who have loved you
can tell
Of the grief that is borne in silence,
For our dear mother we loved so
well.

PROSPECT HEIGHTS

Virginia spent last week at South Bend, visiting.

While on the Dempsey family, I wonder just how many saw Virginia chasing the Cocker Spaniel around Main street, in Mount Prospect the other evening when Rusty jumped out of the car.

Sorry, my mistake, but the lady who was all prettied up last week with a brand new permanent wave was not Mrs. Hoffman, but Mrs. Ed. Miller of MacDonald road.

Mr. and Mrs. Allan Dawson, of Smith & Dawson, whom we all know, or should know, spent their second honeymoon at Mammoth Cave, Kentucky, last week. They report a wonderful time. We hope their honeymoon will be perpetual.

Congratulations to our sweet girl graduates, Dorothy Danielson and Beverly Schaff. They graduated from Wheeling grade school on June 1. I believe they are the first graduates in Prospect Heights.

Eggert C. Green, general contractor, 262 Deerpath avenue, Lake Forest, Illinois, and 228 N. La Salle street, Chicago, has just purchased two lots on Clarendon street, near Elmhurst, where he intends building a six room Cape Cod home, for his bride-to-be. He intends devoting his construction efforts to Prospect Heights, as he thinks this is an up and coming neighborhood. Thanks to Hettler Lumber Co., for recommending us to him.

Bill Hansen, who operates the Prospect Heights Service Station and Bus, now has his phone connected. Call Mount Prospect 1460, for your bus, service on your car, or your choice of a complete line of soft drinks and ice cream.

The Mount Prospect Woman's Club is holding a flower show on Saturday, June 4, afternoon and evening at the public school in Mount Prospect. Why not pay them a visit and get acquainted.

Just in case some of the folks don't know, we would like to mention that Mr. Keteike, the farmer on Palatine road collects the garbage, tin cans, etc., twice each week for the small sum of \$1.00 per month. He also does excellent plowing, cultivating, sowing, etc., for

a very nominal charge. For further information call Mr. Keteike at Arlington Heights 7051-W.

Congratulations to Mr. Jim Neil-

sen who had a birthday last week. Mrs. Neilsen presented him with a new lawn mower, and since their guess he will soon be able to use it. The Neilsen family are entertaining Mrs. Neilsen's sister, Donna, and Donna's in-laws from California, Friday evening.

The Rauens family entertained Mrs. Rauens' mother and sister, Mrs. Tweedie and Grace from Chicago, Mr. and Mrs. John Tweedie and daughter, Joan, of Park Ridge, and Mr. C. Jacques of Chicago, and Mr. and Mrs. Harold Hudson, and young son, Charlie, of Chicago, on Decoration day. They all had a wonderful time.

The Sobwick family entertained Ed's mother, and cousins, Matt and Bess from Chicago, over Saturday and Sunday, and on Monday Sobwicks took a short trip, returning late Monday evening with more than they left with. They increased their animal family, by bringing home two geese and some kind of fancy chickens. Sobwicks also wish to give notice to Mr. and Mrs. Purple Martin that they now have about 24 apartments that are vacant. We hope some of the birds move in real soon.

Sorry to hear that little Jerry Moeiler was bitten by a spider the other day, and had to pay a visit to the doctor on account of it. We hope it will soon be all better, and that Jerry will be all right again.

We are glad to welcome into our midst, some more new folks who moved in last month, and although we have not had the pleasure of meeting any of them, we hope to real soon. Here is a list of our newcomers: Mr. and Mrs. James Jackson, formerly of 3223 N. Ken-neth avenue and Mr. and Mrs. C. R. Johnson of 11838 S. 2nd avenue, Maywood, Illinois, are both on Elmhurst road, one on the north and the other on the south end. Mr. and Mrs. J. Little of Des Plaines, are now on MacDonald road. Mr. and Mrs. Fred Abel, of 3822 N. Markham avenue, and Mr. and Mrs. Henry Johnson of 5148 Agatite avenue, are now located on Elmhurst avenue.

ROAD TINKERING IS COSTLY...

MAKE THE MAINTENANCE DOLLAR

DO FULL DUTY

To get the most out of surface maintenance funds pavements must be of concrete.

This statement is proved by actual cost figures from the twenty-one states which publish comparable records. And here's what they show! Surface maintenance costs for concrete average only \$103.17 per mile per year. For the next lowest paving material the cost is almost double that of concrete. And for all surfaces other

than concrete, the cost averages 3 1/2 times as great—although concrete in general carries the heaviest volume of traffic.

Concrete Costs Least
Concrete gives the greatest load-carrying capacity per dollar of cost. It is the safest road—non-skid, highly visible. And it saves large sums on maintenance. All good reasons why your new roads should be concrete.

Concrete is the Real Low-cost Road and ILLINOIS NEEDS CONCRETE ROADS... Pave the Roads that Carry the Loads and save excessive maintenance and reconstruction costs.

Who's Who

Well, let's pick on a new neighbor this time, someone who just moved into the vicinity last month. Mr. and Mrs. Samuel H. Dempsey, and family. They live in the white house on the corner of Willow road, and Elmhurst road. The family consists of Pa and Ma Dempsey, and their five daughters. (This is a second Eddie Cantor family). Virginia, Margaret, Florence, Carol and Joan. Margaret is now married and lives at Burlington, Wisconsin. She was the "Winnie" of "Winnie, Lou and Sally" WLS radio artists. She is married to Mr. Murphy, who at one time sponsored their radio program. Florence expects to be married very shortly. The Dempseys are not strictly newcomers to this vicinity as they originally lived in Mount Prospect, where the three older girls attended school, and the two younger ones were born. Eight years ago they moved to Chicago, and have now returned to make their permanent home in Prospect Heights. Mr. Dempsey is employed by the Western Union Telegraph Co., of Chicago. There is also a canary, and Rusty the cocker spaniel, in the Dempsey family.

Fire Depts. Announce Two Day Celebration At Roselle July 4th

The Roselle Volunteer Fire Department and the Roselle Rural Fire Department are combining their resources and talents to stage a big July 4th celebration at Roselle this year. It will be a two day event providing the utmost in amusement, thrills and a happy Fourth holiday. Patrons of Roselle celebrations are asked to keep this announcement in mind and watch for further details to follow soon.

Carl Klehm Picked

On University

All Star Line

Carl Klehm, son of Mr. and Mrs. Charles Klehm, Arlington Heights, was selected on the Intramural All-Star nine at the University of Illinois by the Daily Illini, student newspaper, recently.

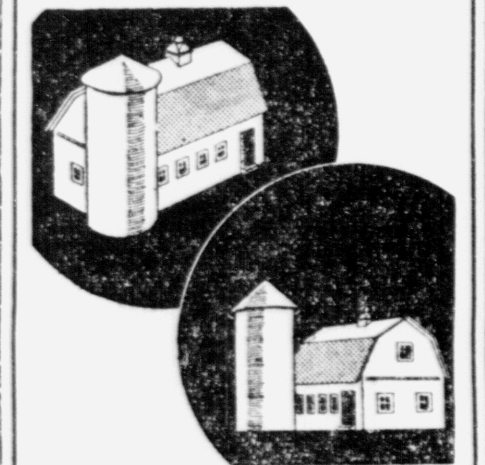

Klehm, a senior, and Nisbet, were the two moundsmen chosen. The Daily Illini story ran, in part, as follows:

"Good pitchers graced the rosters of nearly every team, but the two most outstanding were Nisbet, Phi Sig, and Carl Klehm, Alpha Gamma Rho. Nisbet, hurler for the undefeated champions of this year's league, boasted several one and two-hit ball games, and wielded a mighty Bludgong as cleanup man for the Phi Sigs.

"Klehm's claim to fame, and thus recognition here, was determined by the way in which he silenced the bats of four teams in division three. He hurled two shutouts and gave up but one and four runs in the other two games."

Eskimos in Champlain Valley
That there was a contact between the Eskimos and the Indians of the Champlain valley was indicated by the discovery of ground slate implements found in excavations between Vergennes, Vt., and Lake Champlain.

Arlington

Rains Turns Tide

Against Cards

With Win In Grasp

New Trier took the second game of two played this season with Arlington, winning 7-3 at Recreation Park, in a game spoiled and cut short by rain.

For five innings both teams played good ball, with the Cardinals holding a 3-2 edge. As the sixth inning opened a steady drizzle of rain began to fall and semi-darkness set in.

At the insistence of Coach Grater of New Trier, the game was continued. Five runs were scored as the Cards proved unable to handle the wet ball.

Arlington's half of the sixth saw plenty of action, but no scoring, and the inning ended three minutes before a downpour made further play impossible.

Tranzon, Kene, and Kirchhoff carried most of the offensive burden for Arlington, getting five hits and a walk among them and scoring all the Cardinal runs.

Borre was New Trier's best hitter with two singles in three times at bat. Busse pitched fine ball for the losers and certainly deserved the victory which was almost his. Grossi caught one of the best games of his career.

New Trier: 7 runs, 8 hits, 0 errors.
Arlington: 3 runs, 6 hits, 3 errors.

Pitching Duel Ends

In Rout At Leyden

Upsets Arlington 7-2

Leyden Eagles downed Arlington's Cardinals 7-2 in the season's finale for both teams.

Bob Busse hooked up with Zuperku in a tight, scoreless hurling duel for four innings. Both teams missed opportunities to score as fine defensive work cut them down.

In the fifth Zuperku singled, paused while Vaughan struck out, went to third on Nelson's single, and scored on Roulo's line drive. O'Hagan's nice throw picked Nelson off third and Gates was thrown out after a great stop by Koenig. The big sixth sawed up the game for Leyden. Stankakis opened with

a triple. Three other hits, all singles, were mixed with two walks, a fielder's choice, and a perforated batsman. Leyden scored six runs in that inning. Arlington collected two in the last of the sixth on one hit, a hit batsman, and Zuperku's error, but failed to threaten again. Zuperku pitched well, improving as the game progressed. He allowed four hits and gave three walks while striking out Cardinals. With Meyer and Roulo, he shared hitting honors, each getting two.

Busse hurled a steady game, bearing down well when in trouble until the sixth, when he was replaced by Bruhnke. Two double plays added polish to a good game. Koenig getting one in the fourth and Amato one in the second, each unassisted. Stankakis and Nelson sparked off as did Roulo behind the plate.

Leyden—7 runs, 10 hits, 1 error.
Arlington—2 runs, 4 hits, 2 errors.
Umpire—Fulle.

Barrington Wins

Over Palatine

Palatine and Barrington closed their varsity track seasons Friday when the Bronchos scored a 78-49 victory on their home track. Clark's boys won slams in the 100, high jump, shot, and javelin. Palatine took all three places in the low hurdles and scored heavily in the high hurdles, middle distance events, and pole vault. Only eight Palatine boys broke into the scoring. John O'Brien and Harlow Smith closed their track careers for Palatine by leading the team scoring with 13 and 11 points respectively. Herren, Church, Wilkins, and Collins scored eight points each for Barrington.

The feature race of the meet was the mile run in which McLaughlin of Barrington defeated Freise of Palatine in a close finish. The Broncho sophomore was timed in 5:03.1 while Freise's time was 5:03.4, the speediest mile ever run by a Palatine athlete. Freise's mark broke that set by Alex Tudyman in 1932.

John O'Brien broke the Palatine school pole vault record with a mark of nine feet ten inches, one inch better than that set by Leighton Mangels in the conference meet of 1935. O'Brien had not practiced or competed for five weeks prior to the conference meet last Tuesday.

Harlow Smith finished the season with a scoring total of 108 points in nine meets. Only two boys, Harold Meyer and Edward Hahnfeldt, ever scored more points in a season at Palatine. Smith was the smallest varsity track athlete in the conference. Robert Hollinger, freshman, was second in Pirate scoring with 69 points followed by Freise with 51. Friday's meet was the last for O'Brien, Freise, Smith, and Kraft who are seniors.

BURN DISTILLATE

in Your Farmall 12 Tractor

for Economy and Performance

The McCormick-Deering Farmall 12 Tractor gives top-notch, economical performance on other fuels, but it is at its very best when operating on No. 1 distillate or No. 1 tractor fuel. Actual tests and field experience show that your fuel dollar goes farther when you use distillate in your Farmall 12.

This fuel economy, together with balanced design and sound engineering, makes the Farmall 12 a leader in its field.

There are two other Farmalls—the F-20 for farms up to 200 acres and the F-30 for larger farms and ranches of 300 acres or more. All models burn distillate with unexcelled efficiency.

Miss Hazel Fisher Becomes The Bride Of Howard Turner

Miss Hazel Maxine Fisher, daughter of Mr. and Mrs. Jas. Fisher, became the bride of Mr. Howard Arthur Turner, son of Mr. and Mrs. Walter I. Turner of Roselle at the Irvington Methodist Episcopal Church of Indianapolis, Indiana, last Saturday morning.

The bride wore a gown of white chiffon, princess style, and her finger tip veil of white tulle was held in place by a wreath of valley lilies. She carried a shower bouquet of bride's roses and gardenias. Mrs. Charles A. Thomas of Chicago attended the bride and little Miss Beverly Ann Hanger of Winter Park, Florida, was the flower girl. Mrs. Thomas wore dusty rose mouseline de soie and carried an arm bouquet of roses the exact shade of her dress.

Little Miss Hanger was dressed in pink organdy and scattered pink rose petals for the bridal party from a tiny basket.

Mr. Charles I. Turner of Glen Ellyn acted as his brother's best man and both he and the groom wore white.

Mrs. James Fisher, mother of the bride, wore beige and Mrs. Walter I. Turner wore navy lace. Their flowers were white gardenias.

Rev. John H. Hanger of Winter Park, Florida, read the marriage service assisted by Rev. William Woodward, the pastor of the church. Mrs. Wilbur H. Jones played the nuptial music and Mrs. Charles Coyle sang "Because," and "The Sweetest Story."

After the service a wedding breakfast was served in the home of Mr. and Mrs. Fisher which was decorated throughout in cream colored roses.

Mr. and Mrs. Turner departed for a honeymoon at Turner Lodge in Lac du Flambeau, Wisconsin.

The bride received her degrees at Lake Forest College and has been teaching English and Dramatics for the past year in the high school at Staunton, Ill. Mr. Turner attended North Central College at Naperville.

Rev. Hanger is a former pastor of the Roselle M. E. church.

And So They Are To Be Married—

Leonard Rodewald, the Arlington Heights news boy is to be married Saturday. The young lady is Miss Viola Laseke, daughter of Mr. Albert Laseke. The bride and groom have resided across the street from each other for many years and announcement of the nuptials is not a surprise to their friends.

However—Lennie has fooled the boys so many times that they are not ready to believe that it is actually true until they see ball and chain around his neck.

Mr. Rodewald is all that a bridegroom should be and he and his brother, who now becomes Arlington Heights' most eligible bachelor, have been saying "you first" to each other for many a day.

Curly is getting a big kick over the new member coming into the family, but his brother is impressing upon him that the partnership that exists between them in the newspaper business, does not apply to the wife.

German Shepherd Dog Intelligent

Notably intelligent, German shepherd dogs originated as a type late in the Nineteenth century and were widely used as police dogs in France, Belgium and Germany. In the World war they saw much service as Red Cross dogs. But, because of war hysteria, their name was changed to Alsatian, Alsatian wolf dog, or simply shepherd dog. Most Seeing Eye dogs for the blind are German shepherds.

WEDDINGS

Elvira Meyn Becomes Bride of Minister

On Sunday afternoon at 4:30 p. m. Miss Elvira Meyn, daughter of Mr. and Mrs. Herman Meyn, became the bride of Reverend Kurt Grotheer, son of Reverend and Mrs. Louis A. Grotheer of Niles, Ill. The wedding took place at St. Paul's Evangelical Lutheran church with the Reverend J. E. A. Mueller reading the service. Reverend Grotheer, father of the groom, gave the wedding address.

The bride was attended by her sister, Mrs. Preston Winkelman as maid of honor, and two bridesmaids, Miss Viola Holste and Miss Beata Grotheer, a sister of the groom. Dolores Meyn, and Betty Hodges were flower girls.

The groom was attended by Reverend Louis Grotheer as best man, and the ushers were Edward Busse and Julius Kinast.

The bride wore a wedding gown of white mouseline de soie and a tulle veil with halo cap. Her bouquet was white roses and white sweet peas.

The matron of honor wore hyacinth blue mouseline de soie and carried a bouquet of token roses and delphiniums. The bridesmaids dresses were of peach mouseline de soie and the little flower girls wore dresses of white net. Their bouquets were also token roses and delphiniums.

After the ceremony a wedding dinner was served in St. Paul's Auditorium to about 125 guests. Mr. Konrad Vetter, the groom's uncle, acting as toastmaster, called on Rev. J. E. A. Mueller, the home pastor, and various relatives for speeches. The reception lasted until 10 p. m., after which "open house" was held at the home of the bride where refreshments were served.

The happy young couple left Wednesday afternoon for Elberta, Alabama, to which field the groom has been called to serve the congregations of Foley and Elberta.

Another Editor Jumps In

T. C. HART

Another editor is about to take a high dive into the turbulent sea of matrimony.

The latest addition to the ranks of the benedictines is Stuart Paddock, Jr., assistant editor of the Paddock publications, who on Sunday, will be married to Miss Bettye

Brent of Galesburg, Ill. The happy couple will make their home in Arlington Heights where Stuart is fast learning the editorial ropes from the "old man."

Stuart graduated from Knox College last June and for a time thought that the newspaper game held no attractions for him, but after taking a short vacation in Europe of matrimony and the blood of generations of "news hounds" proved too strong, and he gave up to the inevitable, joined the Paddock force and now on Sunday, will take the high dive into the matrimonial sea. The gang at the office and his many friends on "the beat" wish the newlyweds a long and happy life without any more troubles than are the usual thing for a newspaper man.

Of course Stuart may be so up in the clouds that he'll have trouble making the dead line for a while, but the boys are all hoping for the best.

Bernice Wentz Bride of Orville Helms in Church Ceremony

Miss Bernice M. Wentz, daughter of Mr. and Mrs. John Wentz and Orville F. Helms, son of Mr. and Mrs. Walter Helms, both of Palatine were united in marriage by Rev. John C. Voeks at the St. Paul's church, Palatine, Ill., Wednesday afternoon at 4:30 o'clock. August Stelling acted as organist and Orville Wentz, cousin of the bride, sang "O Promise Me," and "My Heart at Thy Sweet Voice."

The bride wore white satin with Venetian train and carried a showy bouquet of roses and white sweet peas.

The bride's only attendants were her two sisters, Misses Isabel as maid of honor and Miss Louise as bridesmaid. They were both attired in blue chiffon with headress and slippers in pink and carried talisman roses.

The attendants were Harvey Helms and Ralph Langhorst, while the ushers were Clifford Wentz, Harold Meyer and Norman Beckman.

Following the ceremony, a wedding supper was served in the basement of the church followed by a reception at the home of the bride's parents.

The bride and groom have resided in Palatine all of their lives. They were classmates in the grade and high school and their union represents the culmination of plans that had their start during their high school days.

Miss Wentz has been a "home" girl, but recently resigned her position at the Hiway Food Shop, Arlington Heights. Orville is employed at the Sanitary Market, Palatine. They will reside in the upper apartment of Mrs. Frye, adjoining the home of the Wentz family.

Miss Ruth Kahle And Edward Frick Married Saturday

The Friedens Evangelical church of Bensenville was the scene of a very beautiful wedding last Saturday, when at 5 p. m. Bernice Kahle became the bride of Arthur Frick.

The bride is the daughter of Mr. and Mrs. Edward Kahle of Bensenville, and Mr. Frick is the son of Mr. and Mrs. Chas. Frick of Chicago.

The bride was attired in white chiffon and her veil was crowned with orange blossoms. She carried a bouquet of daisies, snapdragons and lilies of the valley. She was attended by Mrs. Esther Steging, the matron of honor, and two bridesmaids, Marjorie Kahle and Ruth Koebelman, who were attired in yellow chiffon. The groom was attended by Fred Kahle as best man, and Richard Willenius.

Master Robert Trumbull was the ring bearer, and little Miss Diane Levey, the flower girl. Rev. Elmer M. Ringe, pastor of Friedens church, read the ceremony, and Mr. Walter Anderson, baritone soloist sang "I Love You Truly" and "Because," accompanied by Miss Cora Warnecke.

Immediately after the wedding, a supper was served by the parents of the bride to 150 friends and relatives, at the Franzen hall.

Mr. and Mrs. Frick plan to live in Bensenville, and will be at home to friends at their Addison street home in the near future.
